

EMERGING AS THE SWIFTEST GROWING SOFTWARE POWERHOUSE IN BANGLADESH

Led by a super-motivated team that thoroughly enjoys their work, we are a full-service, high-end design agency providing holistic and transformative digital design services. Curating delightful user experiences, we work with global clients and deliver customized products.

ABOUT SARKAR IT

SARKAR IT provides the best and perfect web solutions for you and your company. With a team of 30+ skilled individuals, we have served over 900 web clients and more than 3700 clients in Facebook and digital marketing over the last 7 years.

SARKAR IT is a leading web and digital marketing agency catering to both small and large companies.

Sarkar IT is a fast-growing IT Company that provides holistic IT solutions to businesses across geographies. We offer IT expertise in software, website, and application (iOS & Android) development; UI/UX design; and digital marketing. We have forayed into healthcare, food services, travel & tourism, logistic & shipping, e-commerce, banking, technology, manufacturing, and IT-enabled education service industries so far.

Currently, we have a team of highly skilled IT professionals that work round the clock to ensure Sarkar IT stays true to its offerings & commitments. Our team of experienced experts includes software developers, web developers, designers, and digital marketing experts.
